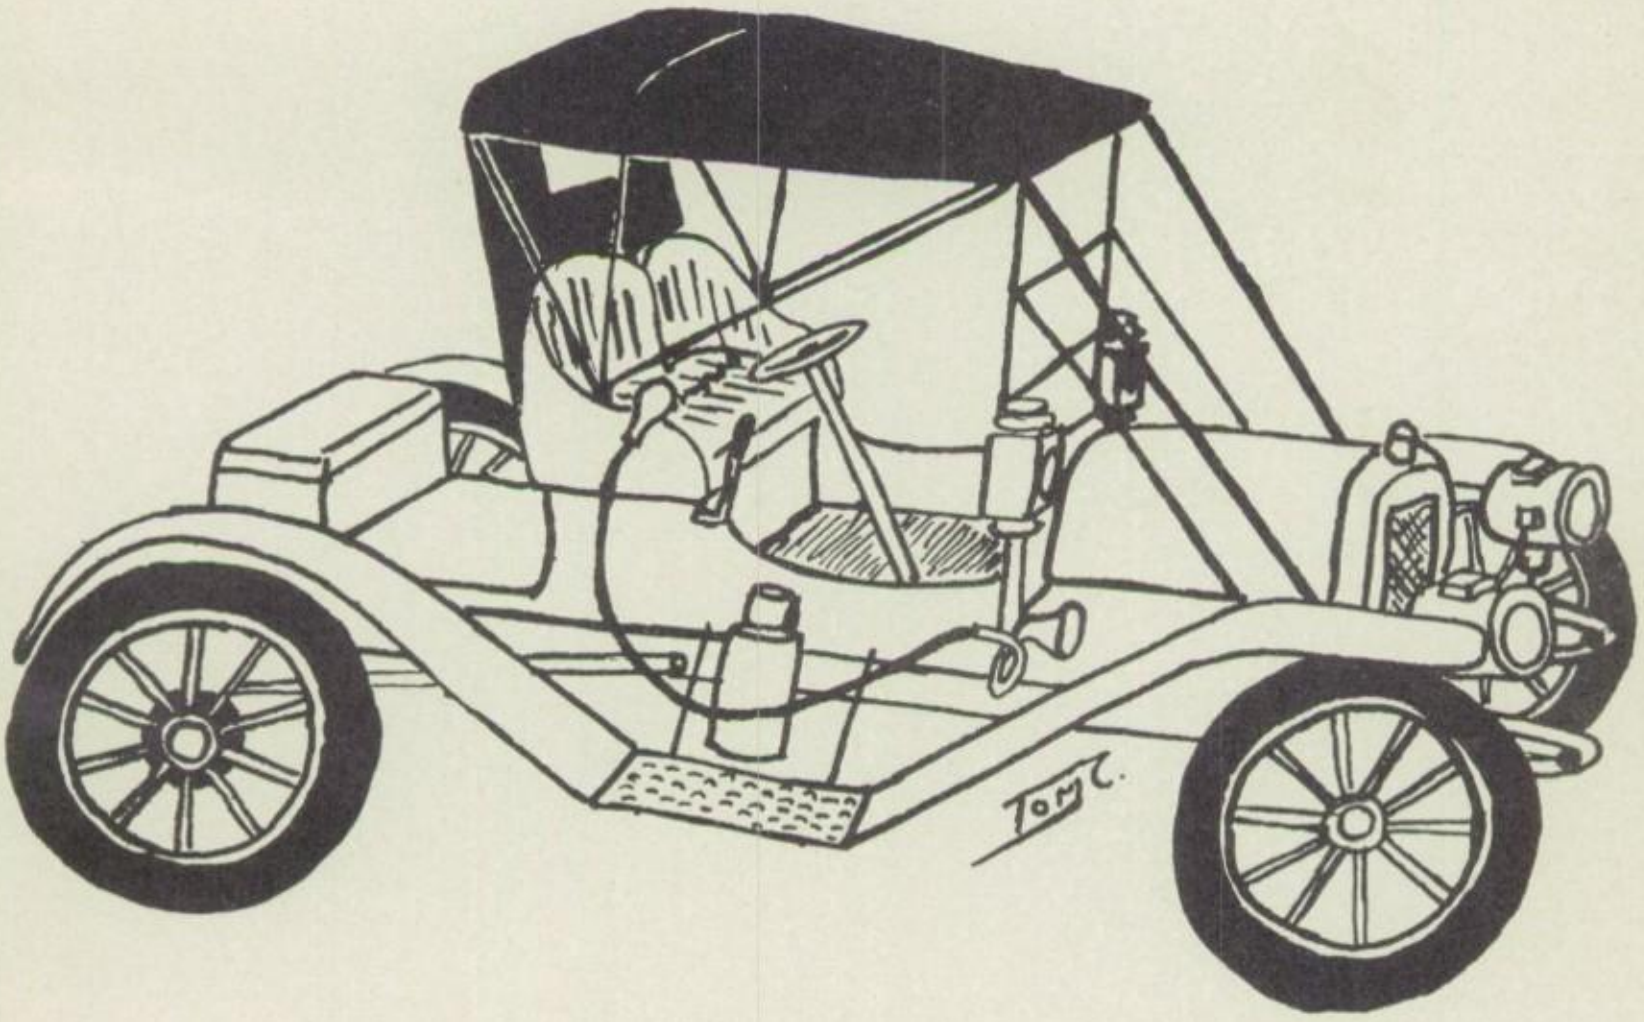
THE CUYAHOGAN



YOUR MEMORY BOOK

FOR

NINETEEN HUNDRED & FIFTY TWO

DEDICATION

Mrs. Doris Sidnell

We, the January and June classes of 1952, dedicate this yearbook to Mrs. Doris Sidnell. During her twenty-two years of teaching in the Cuyahoga Falls School System, Mrs. Sidnell taught Domestic Science and did elementary work in the grades. Before taking a permanent position in the high school, she did substitute work. In 1946 she took a full time job of teaching home economics in the high school, as well as serving as a senior sponsor and Honor Society advisor. Mrs. Sidnell's passing was a great loss to the students and faculty. Mrs. Sidnell's smile cheered her pupils, and this together with her patience and the time she always had for other people will remain vivid in our memories.

Mrs. Sidnell inspects our work

INTRODUCTION

Dear Students,

We, the Seniors of 1952, present to you your 1952 edition of the Cuyahogan. Its theme is Memories of By-gone Days and we sincerely hope that in the years to come this year book may bring back nothing but delightful memories of the four years in which you were in high school.

We wish you pleasant reading and hope that the memories of your school days may be with you always.

Sincerely,

The Staff

The Board of Education is a group of five persons elected by the citizens of Cuyahoga Falls for a term of four years. They hold bi-monthly meetings with the Superintendent and Assistant Superintendent for the purpose of establishing policy and handling items such as hiring teachers, buying books, supplies, and equipment, and planning construction of new buildings.

The students of Falls High are indeed grateful to these persons for the fine school system they enjoy.

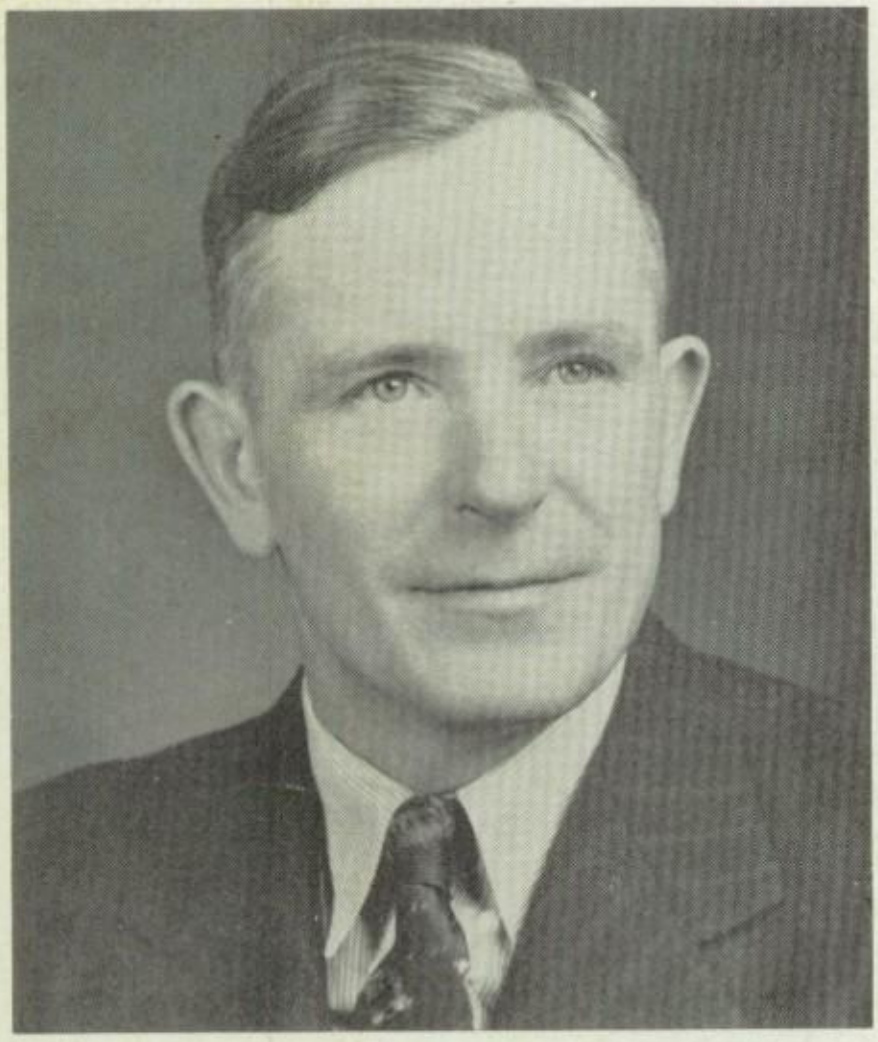
DEANS

Mrs. Ellis

DEAN OF GIRLS

Mrs. Elizabeth Ellis is our Dean of Girls. Her job? There are innumerable tasks for her to perform. Her biggest job is that of being a great help to the girls. She is in charge of the girls' attendance, teaches psychology, is sponsor of the Student Council and yet she takes time out to be of help when and where she can. We say, "Thanks, Mrs. Ellis."



Mr. Saurer

DEAN OF BOYS

Mr. Saurer, as Dean of Boys, has many important duties. Among these are taking care of attendance and the scheduling of the 11th grade girls and all of the boys. His desire to make a better school has helped Falls High and many of the boys in it. He is the adviser for the Hi-Y, business manager for the school annual, and 10th grade sponsor. He teaches classes in general science or mathematics.

This year, for the first time, the staff has devoted an entire section to speech and drama, and has greatly enlarged the music section. The athletic department's section has also been expanded, which is representative of the ever-increasing number of activities here at CFHS.

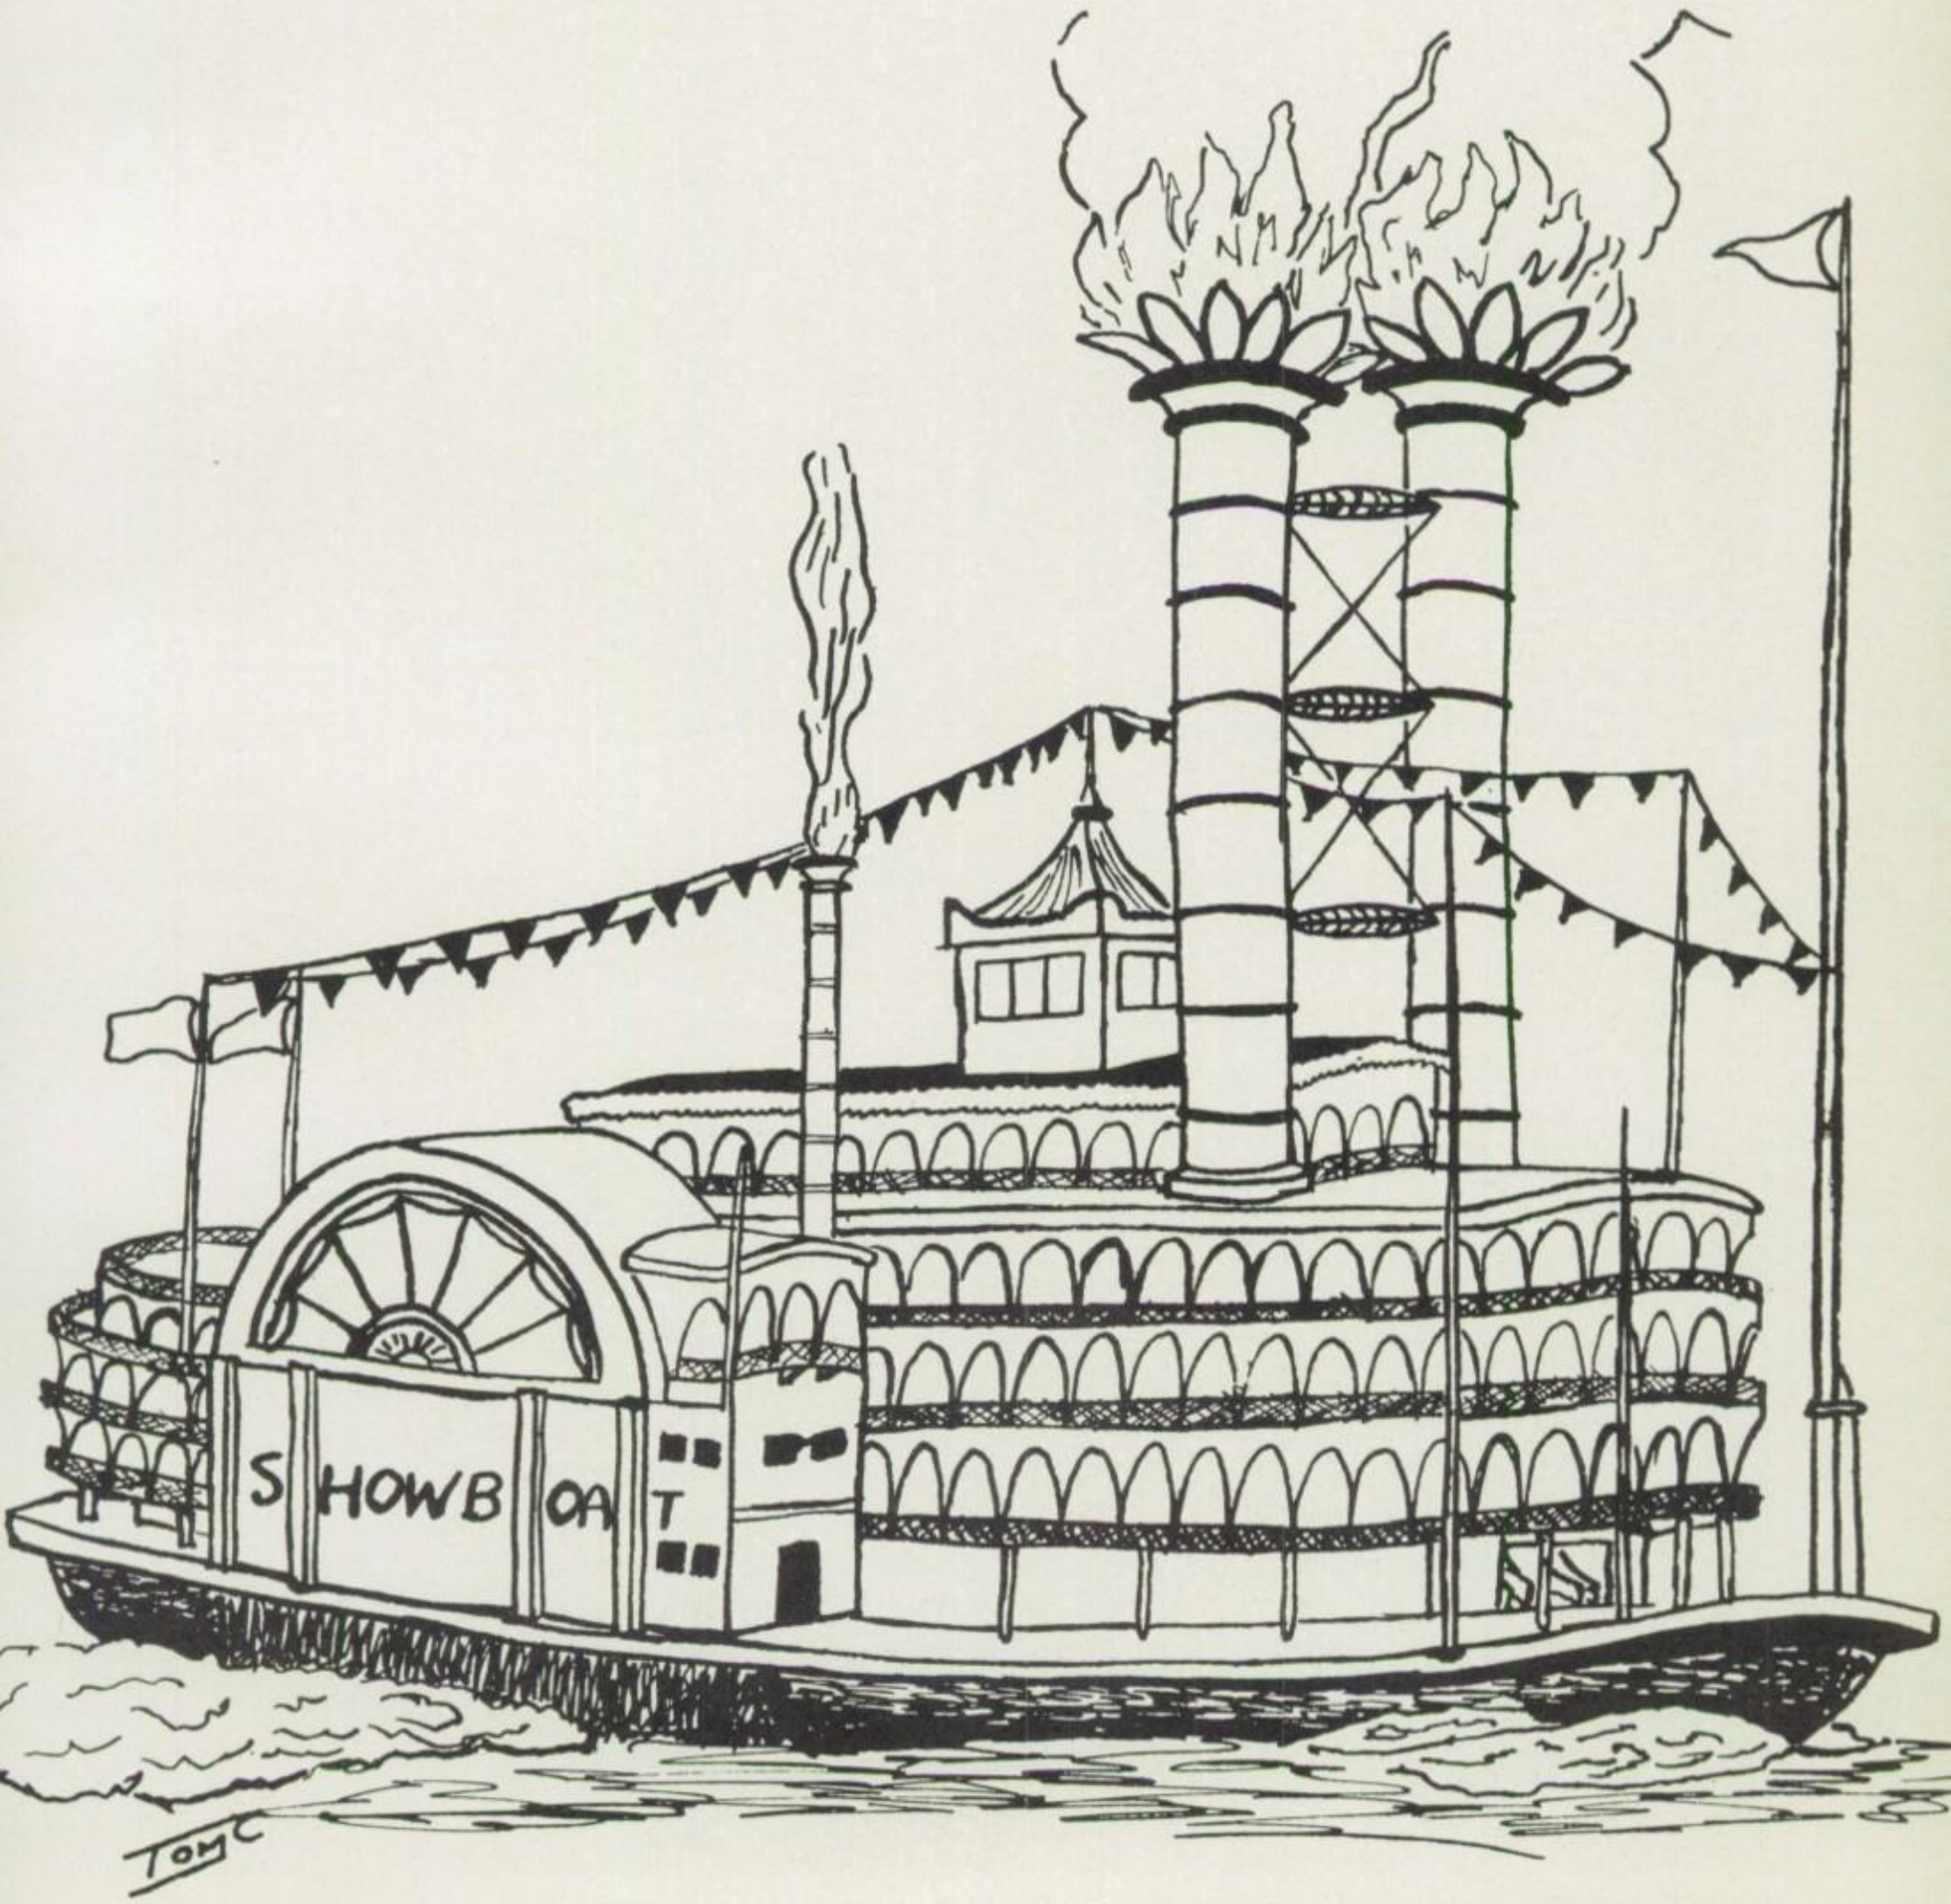
MUSIC



ROSE OF THE DANUBE

The beautiful little kingdom of Eurolania finds itself in bad shape, indeed, when the king (Dick Butler), announces that the royal treasury is depleted. To make things worse, Count Sergius Von Popova (Herb Reed), assisted by two other conspirators, Demetrius (Jack Chapin), and Nicolai (Bob Lamport), is plotting to overthrow the government.

But the minds of the people are temporarily diverted by the annual Rose Festival. Among the many visitors are Darrell Davis (Phil Cochran), a newsreel cameraman from Hollywood and Percival McPipp (Chris Schoenleb), who readily admits he is the greatest movie director in the world. Percival comes up with a great idea. He will pay the kingdom a million dollars and hire everyone to play in a super-colossal movie, set in Eurolania. The movie will have all the trimmings, including a mock revolution. Von Popova sees his chance to turn the mock revolution into a real one at rehearsal and gain control of the government. But Darrell and Karl (Bill Newman), the prince, overhear the plan and flil the attempt. Darrell is rewarded with the hand of Rose (Ruth Bowen), the King's daughter, and Karl receives a like prize in Pamela (Roberta Klein), McPipp's daughter. Popova is suitably punished, and preparations go gaily forward for a joyful combination of riches and romance in Eurolania.

REVUSICAL

For its annual Fall Musical the a cappella choir presented a "Revusical" on December 6 and 7, 1951 in the high school auditorium.

The show's theme was a musical journey across the country with appropriate music from each section from California to Washington, D. C.

The Revusical was an original idea written and produced by the choir members themselves under the direction of Miss Long.

89ers

Allow us to present the players of C.F.H.S. of the future. These fellows play hard. Scores are not too important, but rather how did you play the game? We shall keep our eyes on you boys and know we shall see you right out in front. Good luck to you.

These boys often play as a team, but quite often many of them are placed on the Varsity team. They are indeed a reserve group. The records show that when playing as a team they won 6 games and lost 10. The records also show that when they lost a game it was in the last few minutes of the game. Good work, boys! We shall hear more from you later.

Cuyahoga Falls doesn't have a track of its own, but you wouldn't know it if you have ever seen the cinder men in action. Coach McNea said this was one of the best track teams he had ever coached, which is understandable. Although they competed against the best teams in the state, they were able to win 3 of their meets and set 10 new and impressive records for the Falls. The climax of the season was when Tom Blankenship in the 100 and the 880 relay team, composed of Ray Filing, Rocky Wright, Dick Ackerman, and John Cochran, qualified for the state meet. But, much to our regret, Blankenship was unable to compete because of an injury.

OUR APPRECIATION

The yearbook staff wishes to express our deepest gratitude and appreciation to all who have contributed their time and efforts in editing and making a success of the 1952 Cuyahogan. We would like to give special recognition to our advisers, Miss Sears and Mr. Sauer, who have co-operated with us throughout the year in every phase of the editing of this yearbook. We would like to thank the M. O'Neil Company of Akron and all other persons for their contribution to the photography of this book. Our sincere thanks go to Mr. DeWitt for his co-operation, advice, and assistance in all matters we have put before him, to the teachers and club advisers for their splendid assistance, and to the merchants and business men of Cuyahoga Falls for their generous contributions. And to you, the students of Cuyahoga Falls High School, we wish to express our sincere appreciation for your unceasing co-operation and confidence which has been a very helpful factor in the preparation of the 1952 Cuyahogan.
